

**Evernote Corporation Emergency Disclosure Request Form for Law Enforcement**

Please provide the information requested below in order to assist Evernote in exercising its discretion to disclose under the standard stated in 18 USC § 2702(b)(8) and § 2702(c)(4).<sup>1</sup> Please email this form to [compliance@evernote.com](mailto:compliance@evernote.com) with the subject line: Emergency Disclosure Request. The email must come from a law enforcement email domain.

**1. What is the nature of the emergency involving death or serious physical injury?**

**2. Whose death or serious physical injury is threatened?**

**3. Why is this situation an emergency such that normal disclosure processes would be insufficient or not timely? Is there reason to believe the threat is imminent? Please provide information that suggests that there is a specific deadline before which it is necessary to receive the requested information (e.g., the threatened act will take place tomorrow before 5pm).**

**4. What specific information do you believe is in Evernote’s possession related to the emergency? Please make your request as narrow as possible; requesting all information about an account will delay the processing of your request. NOTE: You must specify the Evernote Service username or an email address associated with an Evernote Service user account. (Evernote is unable to comply with legal process requesting information solely using a user’s proper name.)**

**5. Please explain how the information you are requesting will assist in averting the threatened emergency.**
